### Match Report:

Lost 19-5 (Try: Josh Martin)

A great game which saw the 1<sup>st</sup> XV take huge steps forward. The first 15 minutes of the game both teams spent some time working each other out and it was played mainly in the midfield. There were some great runs from both teams with some superb tackling to stop any scores. The first break through was made by Cottesmore finishing a good back row move in the corner which was also converted. Cottesmore dominated up to half time winning plenty of line out ball and capitalising on this advantage managed to score a second try just before half time. Handcross Park came out all guns blazing in the second half and soon had the ball in the opposition 22 and pressing their line. We managed to put together 5 good phases of play which ended up with a great run from Josh Martin who scored in the corner. Unfortunately, Cottesmore came straight back and scored from the restart after putting us under pressure on our own line. We spent the next 10 minutes camped in the Cottesmore 22 and very nearly scored on two occasions but for some good defensive work from the opposition.

A good performance which we can build on for next week's game against Brambletye. Well done boys – positive progression.

### Match Report:

Lost 29-7 (Try & Con: Conrad Lewis)

Handcross Park played some excellent attacking rugby and unfortunately got caught on the counter attack against a strong Cottesmore side. The pitch was a lot smaller than our home pitch and didn't suit our fluent style of rugby but the boys adjusted superbly.

Every single player did his bit but it was the lightning fast Cottesmore backs who created havoc with ball in hand. We were in total dominance and should have gone over as they forced their way forward but unfortunately the Cottesmore forwards recycled the ball well and we got caught on the break as their backs used their pace to break us down.

With 5 minutes to go, we broke the deadlock as Ellis Ellis-Lawson broke clear down the right. Sebastian Hallett took the ball on and, when we recycled, a huge overlap on the left saw Joe Walker put Conrad Lewis in for the try. Lewis added an excellent conversion to open the scoring for us.

Not the result we wanted but a good team performance. The boys' behaviour and attitude was excellent. Well done Everyone.

### Match Report:

Lost 35-0

After the great result last week, we were matched against a totally different opposition and were well beaten by a very good team that tackled hard and never let us get over the gain line. We were unable to get our set scrum going and our runners were first stopped and then dispossessed before our support could get there. However, despite being up against it most of the game I was very proud of the way our boys played under such difficult conditions. The result may have gone against us but every single member of the team represented Handcross Park well.

### Match Report:

Lost 50-5 (Try: Bruno Clarke)

This week the Colts B rugby team performed exceptionally well, despite being severely undersized in comparison to the opposing team. The boys were initially very worried about the end result after finishing the first half with a score of 30-0. However, they showed great spirit and composure to pull together for the final try in the last minute of the game by Bruno Clarke. Bruno side stepped and dodged through the final line of boys to emerge for a well earned try. Charles Enoizi distinguished himself before, after and throughout the game, following instructions and setting an example for the other boys, displaying both relentless defence and offensive flare. This performance earned him man of the match.

Furthermore, upon completion of the game, the team showed immense sportsmanship through the formation of a tunnel, clapping the other team through to victory!

### Match Report:

Lost 20-15 (Tries: Ben Beard, Ben Wilson, Daniel Taylor)

The Under 9s yet again battled extremely well against a tough opposition and narrowly missed out on a draw. Unfortunately, characteristic slow starts resulted in us being ten points down quite quickly and it wasn't until after Cottesmore scored their second try that we really started to play our best rugby. Our tackling has improved so much since the match against Lancing a few weeks ago and many of the boys are now stepping up to the mark.

Thomas King particularly caught his coach's eye with a crunching flying tackle only seconds after having come onto the pitch! Daniel Taylor and Ben Wilson also scored good tries and Ben Beard scored a good running try, narrowly missed out on levelling the scores in the dying seconds – his foot just going into touch as he was about to place the ball in the corner.

This was a great comeback and all of the boys listened to their instructions very well. We still have a few things to work on - such as not letting the opposition rip the ball from us so easily – but you are improving with every game and that is all that I can ask. Well done, boys – a great performance.

Men of the match: The whole team – but a special mention to Thomas King for his much improved tackling.

### Match Report:

Won 50-30 (Tries: A Humayde 3, A Lynch 2, J Patel 2, S Taylor 2, R Leigh)  
At the request of Cottesmore we changed the format of this afternoon's game due to the fact that they brought 9 players and some of them had only had a couple of Tag Rugby coaching sessions. We spent the first ten minutes as a coaching session then decided to play a proper game and use the skills that we had all learnt. Cottesmore were very quick learners and they scored the first try from the kick off. But Handcross Park responded well by scoring 4 tries (Stephen 1, Ahmad 2 and Andrew 1). In this half Cottesmore scored 2 more tries. In the second half Cottesmore posed a tough test and we responded well with a much grittier performance and we looked much more compact in defence and dangerous in attack. With good work from James Carmichael, Peter Boniface and Raphael Leigh we scored a further 6 tries (Ahmad 1, Andrew 1, Josh 2, Raphael 1 and Stephen 1). Cottesmore replied by scoring 4 tries. This was a very good game with tremendous sportsmanship. Cottesmore had to learn very quickly for this match and showed with practice they could develop into a good side, so when we meet them again they will be more difficult to beat. Our boys are improving all the time and I was very pleased with their handling and running.  
Man of the match: The whole team. Well done boys!

### Match Report

**Won 3 Lost 4**

It was a cold day down on Brighton seafront at Roedean School, but the girls did not let that faze them. They played a very good first game against Roedean, using the space and intercepting effectively to win 2-1. In the next two games, the girls had to work incredibly hard, but despite losing both games, they never gave up and demonstrated a fantastic fighting spirit that everyone at Handcross Park should be proud of! The final game of the first half of play was against Great Walstead, and the girls stepped up a gear to play some great netball; they used the width of the court to move the ball to their shooting D but also changed the direction of play too to challenge their opponents. After the break, the temperature dropped quite dramatically which created more difficult games as the girls could not feel their fingers! Despite the cold conditions, their 'never give up attitude' sprung into action and they won their third match of the day against Brighton and Hove High. The last two games of the day we knew were going to be difficult ones. Firstly, St Andrews; it was the tensest twelve minutes of my life! The ball was moving from end to end, but neither team could get it into the net! Each member of the team worked their socks off to make interceptions, and there were some really impressive, fast pass and move sequences. Despite this, St Andrews scored a goal in the dying seconds of the game, but we did not deserve to lose this game. The final game against Cumnor House; there were slips, there were slides, there were damaged fingers, but the girls still fought on right to the end. I thoroughly enjoyed watching the 1<sup>st</sup> team play in this tournament and they demonstrated some fantastic skill, determination and team work throughout – well done to all!

### Match Report

#### Lost 11-1

Being a few players down, Sophie Mills, Lily Gregory and Jodie-May Martin gallantly stood in to make up the numbers for our game against Pennthorpe. After last week's win the girls were feeling confident and we started the match well with Pippy scoring within the first 20 seconds of the whistle being blown. Both teams were playing a little too frantically for the first third and so a lot of passes were dropped or missed. The Pennthorpe GA was a fierce shooter with excellent aim and secured her team 3 goals in quick succession. In the second third, the Pennthorpe team were making more careful passes and giving fewer opportunities away for us to intercept the ball. They scored another 3 goals, despite Jodie Rogers' amazing defensive blocking. There was some good pass work between Zara and Imogen (who made some incredible interceptions in the last third of the game), and Lily Gregory worked hard to get into free space on the court. The Pennthorpe girls were simply too well drilled though and scored another 5 goals in the final third of the game. The final score was 11-1 to Pennthorpe.

### Match Report

#### Won 8-5

Winning the first pass, Farlington started the match strongly and we had to work hard to gain possession, but with good defensive work in mid-court, the ball was passed to Caitlin who scored a clean long-distance goal. In the second quarter, Caitlin scored another clean goal putting us 2-0 up. Farlington kept putting the pressure on and followed with two quick goals of their own. The 2-2 half-time score was an indication of how evenly-matched both teams were, as girls from both sides were playing their hardest. After a team discussion at half time, Handcross Park started the second half with a much tighter defence and stronger passes, closing down the play and winning back Farlington's centre passes. The centre court team of Isabel and Clemmie were able to pass the ball into the circle, where Caitlin scored two more goals and Kaiya one. In the final quarter, the girls further improved their passing and spatial awareness and Farlington were not able to penetrate the strong defence of Ellie, Danielle and Gabby. With great teamwork from all sides of the court, Kaiya was able to score 3 fantastic goals towards the end of the game, securing our victory in this very close match. The final score was 8-5 to Handcross Park. Well done to all of the girls in the Under 9As!

### Match Report

#### Lost 7-0

The Under 9B netball team played against Farlington Girls' School for the first time, away. Our opposition won the toss and made an assertive start, moving quickly towards their goal end. It became clear that we had a challenge on our hands and that we would need to give it our all! Handcross Park worked hard to defend the opposition's shooting circle but the Farlington girls managed three goals in the first quarter and the whistle for quarter time went before we had a chance to retaliate. In the second quarter, we went on court with greater confidence and determination ready to defend more tightly. The Farlington girls had picked up momentum from the first quarter and, despite some improved defending from our girls, they managed to increase their score by four goals. The story took a really positive turn in the second half when the Handcross Park girls pushed their game forward and showed real determination to take possession of the ball. Our attack players made more use of space on court and the defenders made some super interceptions. As a result, the girls prevented Farlington from scoring any further goals, which was a really big achievement. Well done for a super second half performance, team!

***'Girl of the Match' is awarded to Georgia Millar-Smith and Maddy Galvanoni-Hawkes for their strong passing and for moving the ball down the court assertively.***
